OBJECTIVE

Learn new skills and expand my knowledge.

Leverage my learnings to contribute effectively.

Make the best use of my potential to support the organization's growth.

SKILLS

- Robotics
- Chatbot Development
- Gen AI
- Machine Learning
- Deep Learning
- NLP
- Python
- SQL

INTERESTS

- Python Programming
- Artificial Intelligence
- NLP & Chatbot Development
- Machine Learning
- Deep Learning
- Data Science

LANGUAGE

- ✓ English
- ✓ Hindi
- ✓ Marathi

EDUCATION

K. J. Somaiya Institute of Technology, Sion, Mumbai

Mumbai University

M.Tech (Artificial Intelligence)

2021-2023

Bharati Vidyapeeth College of Engineering, Navi Mumbai

Mumbai University

B.E. (Electronics and Telecommunication)

2014-2017

S. H. Mansukhani Institute of Technology, Ulhasnagar

Mumbai University

Diploma (Electronics and Telecommunication)

2011-2014

PROJECTS

InsightSphere: GenAI Knowledge Hub (Gen AI, LLM, LangChain, Python, Hugging Face, FAISS, Streamlit)

Nikku's Kitchen Chatbot (NLP Dialogflow, FastAPI, ngrok, MySQL, HTTP, CSS)

Potato Disease Classification (CNN, TensorFlow, Data Augmentation, TF Dataset, TF Serving, FastAPI, React JS, React Native, GCP)

Brain Tumor Detection (Using CNN and Transfer Learning)

INTERNSHIP

July 2023-Aug 2023 Data Science (Exposys Data Labs, Bengaluru)

Aug 2023-Sept 2023 Data Science Intern (CodeClause PVT LTD, Pune)

May 2024-Aug 2024 Python Developer (Techoctanet Services Pvt Ltd)

WORK EXPERIENCE

Dec 2020-Feb 2022 V.P.M's Polytechnic, Thane

Lecturer (Industrial Electronics Department)

Nov 2018-Feb 2019 VnVCS, Mahape, Navi Mumbai

Trainee Programmer (ASP.Net, MVC)

PUBLICATIONS

IEEE 3rd ASIANCON 2023 (IEEE Bombay Section – Aug 25–27, 2023)

Title: MRI Images Based Brain Tumor Detection Using CNN for Multiclass Classification

5th International Conference on Inventive Research in Computing Applications, ICIRCA 2023 (IEEE Coimbatore – Aug 3–5, 2023)

Title: A Robust Approach for Brain Tumor Detection Using Transfer Learning

CERTIFICATION

- Online Distance Learning Certification of **INDIAN INSTITUTE OF REMOTE SENSING (IIRS DEHRADUN)** under guidance of **ISRO**.
- Achieved Prize in **International Robotics Champion (IIT Delhi)**.
- Microsoft Azure AI Fundamentals, **Microsoft (Aug 11, 2023)**.
- Workshop on Maximizing AI Potential with Azure Solutions and ChatGPT, **Microsoft (May 19, 2023)**.
